

## Homework for March 9<sup>th</sup> to March 13<sup>th</sup>

Homework books and folders are due on **Friday, March 13** and will be sent home on the following **Monday**.

**Parents need to be actively involved in their child's homework. Provide guidance as necessary, mark the work to ensure that it is completed accurately, and have your child do corrections.**

- Spelling practice should be completed in the Homework Notebook
- Math word problems should be completed in the Homework Notebook
- 2 quick Mathletics assignments due with other homework
- **RAZ-Kids** and Home Reading (nightly)
- Weekly Character Education bags with activities (due Thursdays)

### Leprechaun Traps!

On Friday, March 13<sup>th</sup>, the Grade One students will be building Leprechaun Traps. Please help your child plan and collect materials to make a leprechaun trap. You DO NOT need to purchase materials, as you can reuse many items to make the traps, such as shoe boxes, cardboard, cereal boxes, etc. The materials and any fasteners that are required, are to be brought to school on **Thursday, March 12<sup>th</sup>**. The students will be making their trap at school in hopes of catching a leprechaun. Each trap should fit on a school desk. **Please do not make the traps at home, as this is part of our new Science unit, entitled, *Building Things*.** You can draw a plan and send it into school along with the materials. Painting of any materials must be done at home, as we will not have time to wait for the paint to dry before putting our trap together. I do have some tape and glue at school that can be used but if you have others you can send them in. Other fasteners may include pipe cleaners, clothespins, paperclips, etc. Thank you for your support!

# Home Reading

It is **very** important for students to read for **15-20 minutes each night**. They can read books (at their level) from:

- **RAZ-Kids – Students should be using this resource at least 3 times a week**
- home
- school library
- public library
- home Reading books
- tumblebooks (**you can access tumblebooks on the link on the Le Roi Daniels homepage**)

**\*\*\*More Importantly:**

Be sure to model reading yourself. Read to your child. Talk about the story.

# Spelling Words

**\*When writing out the spelling words, ensure your child is printing with proper letter formation.\***

We have provided three options for the spelling portion of the homework.

**Option One** – Write all of the words (excluding the challenge words) three times each in your homework book. Write one single sentence for ONE word using a capital and a period. For example: **I have a fish.**

**Option Two** – Write all of the regular words (excluding the challenge words) three times each in your homework book. Write one sentence per regular word (excluding the challenge words) in a sentence using a capital and a period. For example: **I have one gold fish.**

**Option Three** – Write all of the regular and challenge words three times each in your homework book. Write one sentence for each word. Try to add a detail or a descriptive word to your sentence. For example: **I have a gold fish that I feed every day.**

<b>Weekly Words:</b>	<b>Challenge Words:</b>
<b>over</b>	<b>gold</b>
<b>give</b>	<b>luck</b>
<b>me</b>	<b>trap</b>
<b>saw</b>	
<b>want</b>	

## **Math**

**Word Problem:** Solve your word problem in your homework book. Show your thinking using pictures, numbers, and words.

**You have 18 gold coins in a piggy bank. The sneaky leprechaun steals 9 of your gold coins. How many gold coins do you have left?**
